

Mrs. Smith

Hi there! I am a first year teacher here at Ballico Elementary and am very excited to be a part of this wonderful family! I am currently finishing my credential program, but have been a substitute teacher for a year and also served as a student teacher for a 6th grade classroom for 6 months before becoming a Brave.

Being offered this position here was a very exciting event for me, not just because it is my first full-time teaching job, but because I was able to join a small school district. I grew up in Snelling and really wanted to be able to teach in a small school like the one I grew up in. I have two children who will start Kinder and 1st grade here this year with me, so having them experience the same community dynamic I grew up with is a blessing to me and my family.

Outside of school, my husband and I like to take our kids on camping trips, hunting trips, beach adventures, and backyard family get togethers as much as possible. I enjoy being crafty and making things, sewing, playing softball, and watching lots of baseball. Go Yankees!!
