

*Hello, My name is **Stephanie Pasley** and I am happily married to my amazing husband **Justin Pasley**. Together we have 4 amazing kiddos. I have an 17 year old step son named **Tyler**, a 14 year old step daughter named **Hailey**, and two babies of my own. My daughter **Trista** is 5 and will start kindergarten at **Cressey** this year, and my son **Madix** is 3. I have been teaching for over 9 years now and love every minute of it. I graduated College in 2004 from **Fresno State University** with a **Bachelors of Science in English-Communications**. I went on to **National University** where I obtained both my teaching credential and **Masters of Science in Special Education**. I have taught at **Livingston High School**, **Harmony Middle School**, and this is now my 5th year at **Ballico-Cressey**. I have a wonderful teachers aide, **Rosemary Medeiros** that is amazing with students. She is an inspiration to everyone around her. I love working in this one-of-a-kind district. I knew right away that I wanted to bring my own children here and that **Ballico-Cressey** was the place I knew I wanted to stay for the rest of my teaching career. Teaching students with special needs is my passion and there isn't anything that I wouldn't do for my kiddos! I will always and forever believe that students come first! Every student can and will learn, they need teachers that will believe in them, push them, and challenge them to succeed!*
